Guest Speaker for January Meeting

We are happy to announce that we'll have a guest speaker at our January meeting at Pair O Lakes. DNR Conservation Warden Jon Hagen will be there to give a short talk followed by Q & A. So if you have any questions for him be sure to come to the meeting.

Trail Report

The good news is that, as of this writing, we've had nearly a foot of snow over the past few snowfalls. We've had crews working feverishly doing trail brushing and packing down the snow that we currently have in order to form a good base for the season. A big thanks to all the trail guys who put in many hours this fall preparing for the new season....we are so lucky to have that crew so willing to help. The current forecast calls for more snow and cold, so keep your eye on the County Trail Conditions by clicking on the link below or copy and paste the text into your browser. Hope to see you out there very soon.
