Trail Report

The following are the posted trail conditions at time of publishing. Be sure to check this link for the most current conditions:

<https://www.washburncounty.org/news/trail-conditions>

All of the Washburn County snowmobile trails are **OPEN!** On January 22nd there was anywhere from 3 to 9 inches that fell throughout the county. Trails are in great condition with a 5 to 12 inch groomed base. Always use caution on the trails as you may encounter active trail grooming equipment. Enjoy the trails!

Big thanks again to the tireless efforts of our volunteers working every day continuing to make our trails some of the best in the state!

It has a 340 Kawasaki. I have owned it since 72. Always stored inside and was running when I parked it. It has new skis, windshield and seat. Looks good. Would like to get \$250.00 for it.
