Trail Report

As of this writing all of the Washburn County snowmobile trails are **OPEN!** Trails are in good condition with a 5 to 8 inch base. The past few days brought a fresh 4 to 6 inches of powder - the new snow is a great addition to the already good base! The base might be a little slim at road crossings as we had a snowy dirt mixture before the new snow. Always use caution on the trails as you may encounter active trail grooming equipment. Enjoy the trails!

The current forecast calls for more snow and cold, so keep your eye on the current trail conditions, click here: <https://www.washburncounty.org/news/trail-conditions>

Club Trips

The club trips to Ishpeming, MI, Feb 5-10 and Brule, WI, Feb 12-17, were a smashing success as usual. The trail conditions were great and a good time was had by all (on and off trails).

Big thanks to the social committee for their organization efforts. Keep an eye on the club website and FaceBook Page for pictures soon to be posted.
