Elections in May

The club's annual elections will be held in May at the general meeting on May 2 at the groomers shed. Those elected will take office on June 1. Please consider running for one of these positions. It's your club. It's our club. We're fortunate to have it here. Getting involved a little is a win/win. Obviously it's good for the club, but you might just have a bit of fun too!

A Nominating Committee of 3 has been established:

Shari Fetkenheuer (Committee chair) - sharicka17@gmail.com

Joan Dienstl (Committee member) - jjdienstl@gmail.com

Rick Kieffer (Committee member) - rkieffer56@gmail.com

There are 4 officer level positions to be elected in May. They are **President, Vice President, Secretary** and **Treasurer**. In addition there will be **3 open seats on the Board of Directors** to be elected. There will also be an election of the **AWSC Director and Representative** and **WATVA Representative** positions.

Please consider becoming involved. If you are interested in learning more about the positions and becoming involved, please contact one of the Nominating Committee members above.

As usual, the May general meeting will be at the groomers shed. The main meat dish will be provided by the club and pot luck sides dishes and desserts will be shared. The elections will be conducted at this meeting. Please bring a chair or two if possible.

Club Rides

Snowmobile Trails are closed. Look here for ATV weekly rides when trails open.

Important: We are in the initial planning stages for our annual club ATV/UTV ride. Please bring your suggestions to the April general meeting. We need to decide ASAP when and where we are going.

ATTENTION: GROOMER OPERATORS

We will have a little get together to rehash the season, discuss problems, and improve upon our program for next year. It will be held at the groomer barn on April 14th at 6 P.M., that's 1800 for the Navy guys and for the Army the little hand is on the six and the big hand on the twelve.

Dinner and refreshments will be served. Groomer operators and wives/girlfriends, not both, are invited. I encourage all 2017 operators and significant others to attend. We can learn and improve with the benefit of each other. ~ Jim Dienstl
