Landowner's Appreciation Picnic

This year's landowners picnic was held on August 19th at Trego Town park. It was a smashing success due to the efforts of our social committee and the eager and able group of volunteer set up and tear down helpers.

Our generous sponsors provided many cool door prizes making for an exciting raffle delighting the many winners. Did I mention the food? It was again, over the top. Dave Larson from Tracks worked his magic with the pig and turkey roasting as usual. The Prime went above and beyond providing the rest of the meal.

The land owners in attendance gave this picnic the thumbs up.

We have our work cut out for us to top this for next year, but we'll try.

Thanks

Dave Larson doing what he does...

The pork, and turkey was once again fabulous and the desert table was well stocked with the sweet creations of various club members. Nobody went home hungry !

MEMBERSHIP RENEWAL TIME

It's that time of year again. Membership renewal letters have gone out. If you were a member last year 2017-18, you should have received yours by now. The letter explains our new dues structure along with your address and email information that we have on file. Please return it promptly noting any changes/corrections so that your membership to AWSC (if applicable) will be renewed in a timely fashion allowing for your discounted trail eligibility for this year.

Please direct other membership queries to rollinghillsinfo@gmail.com or Jim McDowall 715-635-5186.

CLUB SNOWMOBILE TRIP(S)

Start thinking snow! If you have any suggestions regarding club snowmobile trip locations please let us know either at a general meeting or by emailing rollinghillsinfo@gmail.com. The more choices that we have will give us a better chance of having another fabulous trip. We will begin the discussion next general meeting.

THANKS !!!

A big thank you to the **Trego Fest Group** and also to **Mike and Mary Anderson** for their generous cash contributions. We sure do appreciate it!

Trail Report

Thanks to the endless efforts of Doug Bruner, and modifications suggested by the grading volunteers, our grader is once again operational and effectively grooming our trails. The lack of moisture over the past few weeks has made it tough to do much over the past few weeks, but rain is falling as we write this so look for great conditions soon. We have also begun doing some serious brushing that should make the upcoming snow grooming that much easier. For up to the minute Trail Conditions go to our website and click on the Trail Conditions link or simply click [here](#).
