## **Trail Conditions**

All Washburn County ATV Trails are open at the time of this writing. There may be a few rough spots and minor washouts from recent rain fall, but overall the trails are in good condition.

If you plan to travel to surrounding counties, please check their trail conditions as north and northeast of us, most trail systems are closed at this time due to extensive damage.

## **CLUB SNOWMOBILE TRIP**

Start thinking snow! If you have any suggestions regarding club snowmobile trip locations please let us know either at a general meeting or by emailing [rollinghills.info@gmail.com](mailto:rollinghills.info@gmail.com). The more choices that we have will give us a better chance of having another fabulous trip. We will begin the discussion next general meeting.
