Trail Report

All Washburn County ATV trails are open at this time. All trails are in good riding condition. The beautiful fall colors are past peak, but this still a great time of the year to enjoy the trails.

CLUB SNOWMOBILE TRIP

Start thinking snow! If you have any suggestions regarding club snowmobile trip locations please let us know either at a general meeting or by emailing rollinghills.info@gmail.com. The dates for the trip are set at Feb 11-16, but we are still deciding the destination. We will continue the discussion next general meeting.

NEW TRAIL MAP FOR 2018-2020

This year we will be publishing a new trail map. There has been a committee chaired by Randy King to implement improvements to the old map including map size, paper quality and many, many other details that you will be excited to see. The last details are being finalized. Be sure to look for the new maps sometime in December.
