**Trail Report**

The Rolling Hills portion of the Washburn County Trail System is in fair to good condition with snow decreasing south of Shell Lake. Let's hope that the additional snow in the forecast pans out making them even better.

You can always check the Washburn County website current trail conditions updates by clicking [here](#).

**!!!ATTENTION GROOMER OPERATORS!!!**

The grooming schedule will continue as is on a daily basis until you hear otherwise.

## Please patronize our sponsors

Our new map has generated a lot of excitement from our map-ad sponsors. We all feel that the new map will prove to be an effective advertising tool for them. As a member of our club, please consider our club sponsors when going out to eat or drink. When going to the hardware store or to buy groceries, think of them. When having out of town guests, steer them to our sponsors for accommodations. When shopping for a new machine, be sure to consider our sponsor dealers. When visiting our sponsors throw them a “Thanks for sponsoring our club” comment. It’s a win/win.

A convenient list of all of our sponsors organized by category can be found by clicking on the “Sponsors” link at the top of our [club website](#). Then clicking on any sponsor name would take you to their web page. You can also click [here](#) for the sponsor list.
