(Everyone Welcome)

**Club Trip, Great Northern, Mercer WI
Feb 11 – Feb 16, 2019**

2019 Club Trip – Mercer WI

The folks in the picture to the left will be happy to tell you that this year's club trip to the Great Northern in Mercer, WI was one for the record books. The snow conditions were fabulous. There already were a couple of feet of snow when we got there and then we proceeded to pick up to another foot from an all day snowfall on Tuesday. The riding on Tuesday especially was an experience that won't soon be forgotten by those that rode. The other days weren't too shabby either!

The Great Northern was the perfect place. Located right on trail 17, it had a fabulous bar, restaurant and Great Room for congregating in. The food was over the top and the prices were extremely reasonable.

Can't wait to see what 2020 brings...

2019 Club ATV Trip

Now that the super successful club snowmobile trip is in the books, its time to start thinking about the summer ATV Trip. If you have any favorite locations or new locations that you've been wanting to try, please bring your ideas to the general meeting so that we can discuss them so that the trip planning can begin. Typically we do our trip in the middle of June. The ability to ride to the destination would be great, but not required. Trailering there and back is a viable option.

For Sale

The club has decided to sell its "Trail Patrol" ATV due to lack of use:

2006 Arctic Cat 400 4x4, 3400 miles

\$2,000

If interested send email to rollinghills.info@gmail.com

Trail Report

All Washburn County Snowmobile trails are open at this time. Several heavy snow events in recent weeks have allowed for excellent trail conditions. We have 2 groomers out each and every day grooming the trails. With this schedule, all Rolling Hills trails are groomed multiple times a week. Please be aware that if we continue to receive fresh snow you may encounter segments of trails that have not yet been groomed on a given day. The current trail conditions are excellent, with a snow base more than 16 inches. Enjoy the trails!!

You can always check the Washburn County website current trail conditions updates by clicking [here](#).
