Elections in May

The club's annual elections will be held in May at the general meeting on May 1 at the groomers shed. Those elected will take office on June 1. Please consider running for one of these positions. Getting involved a little is a win/win. Obviously it's good for the club, but you might just have a bit of fun too!

A Nominating Committee of 3 has been established:

- Jim McDowall (Committee chair) – jim.mcdowall@centurytel.net
- Jim Heim (Committee member) – jdheim@centurytel.net
- Lori Hanson (Committee member) – lydiasmom2007@gmail.com

There are 4 officer level positions to be elected in May. They are **President**, **Vice President**, **Secretary** and **Treasurer**. In addition there will be **4 open seats on the Board of Directors** to be elected. There will also be an election of the **AWSC Director and Representative** and **WATVA Representative** positions.

Please consider becoming involved. **We are especially in need of candidates for Vice President and Secretary.** If you are interested in learning more about the positions and becoming involved, please contact one of the Nominating Committee members above.

As usual, the May general meeting will be at the groomers shed. The main meat dish will be provided by the club. Please bring a potluck side dish or dessert to pass and be shared. The elections will be conducted at this meeting. Please bring a chair or two if possible.

We'd love some feedback

Our snow season season length was on the short side, but the conditions sure were awesome for the duration of it. Volunteers worked long and hard to keep the trails in fabulous condition. In an effort to continually improve the trails and grooming operations, we would love to have feedback from riders. While your experiences (good or bad) are still fresh in your minds, take a moment to shoot an email to rollinghills.info@gmail.com and let us know how we can improve for next year.

Trail Report:

All Washburn County snowmobile trails are closed and will remain closed regardless of any future snowfall.

Spring ATV Use:

Washburn County ATV trails will be closed beginning on Wednesday, March 20th. The only exceptions to this spring closure are the Wild River Trail and the Railroad Grade to Shell Lake, which remain open unless DNR Fire Danger is rated at Very High or Higher. Please click [here](#) for current fire danger status.

Normal spring trail closure runs through the first Friday before Memorial Weekend. ATV trails will re-open Saturday morning of Memorial Weekend. In units of the Forest open for motorized uses, ATVs/UTVs are also prohibited now through the first Friday before Memorial Weekend.
