Scuttlebutt in Rolling Hills Country

Scuttlebutt you will hear first in your Rolling Hills monthly newsletter!!
 And if you believe that I've have some swamp land you can buy! Cheap.

First off, the snowmobile trails closed the 1st weekend of March! What a short season. The good news is that the ATV trails may open early depending on the weather. Remember the Wild River trail (35) and the trail to Shell Lake (39) are both open year around. The other trails will historically open by Memorial Day.

The new buzz word in ATV's is CT. If you haven't heard it, it's a reference to Clean Technology. Here we are talking about the collaboration between Polaris Industries and Zero motorcycles in developing a 110 HP electric Polaris Ranger. To date there is no introductory date. This news follows the October 2020 introduction of a 30HP EV(electric vehicle)Ranger UTV.

As we cautiously open from over a year of covid restrictions we are excited to announce our first club social gathering of the Rolling Hills Snowmobile & ATV club on May 5th, 2021.

Hurrah!!! The social get together begins at 5:30 PM and the meeting/elections will follow. This will also be considered our annual meeting with an election of club officers and board members for the next fiscal year. Please consider running for one of the positions to be articulated in the next NewsLetter. We are in especially dire need for the Club Secretary position. Please consider it if you were thinking of getting more involved in helping the club.

An article in the March 21st issue of US News & World Report Ranked Wisconsin as the 8th best state to live in. Minnesota ranked 2nd behind Washington state. Minnesota may have ranked higher than Wisconsin but they don't have as much fun as Wisconsinites! Take it from me, I've lived in both places and love WISCONSIN!

Jim and Joan Dienstl spent the afternoon of March 13th at **the Still** and won a bag of shrimp during the meat raffle. After the raffle ended, owners Terry and Amy presented Jim a check for \$241 as a donation to rolling hills snowmobile and ATV club representing the profits from the raffle. The generous support from Terry and Amy is overwhelming and greatly appreciated.
