As you travel north along the Wild River Trail beyond Minong you would enjoy a stop at the **Circle Pines Bar, Grill & Motel** in Gordon, WI. A great place to pause as you enjoy the snowmobile and ATV trails. As Owner Henry Podgorak says “Where family and friends meet for Good Food and Good Times”.

The word is the new **Shell Lake ATV/RV Campground** located on the northside of Shell Lake has been busy. Opened in 2020 this new facility offers all the amenities campers and ATV enthusiasts look for, including an ATV wash station and an open air pavilion. Right on Trail 39.

Coming or going from the Wild River Trailhead in Trego, you are just two blocks from the best burger ever at **HUBS Riverbend**. Or, don't forget Friday's fish fry, Mexican style menu offerings, Saturday's prime rib or shrimp or homemade pizza. Open 7 days week at 11AM.

Window or screen problems? Go to **SPOONER Window& Door** at 450 Durabilt Road in south Spooner. They offer windows, doors, garage doors, and screen, windows, door repair plus shower enclosures and custom glass and mirrors. Spooner Glass is known for fast service at a reasonable price. Try them and you'll be very happy. Guaranteed!

What can we say about **The PIONEER on Long Lake** that hasn't been said? Well, how about a reminder. On the Narrows of Long Lake in Sarona. Full bar, big screen TV, Ping Pong. Open year round at 11AM.

Victory Lane in Minong on the Wild River trail is not your Normal C-Store. Start with filling your machine with 91 octane fuel then visit the store for Mamajo' lunch specials, smokes, snacks, liquor and beer And that's just the beginning. Oh, they have a walk in beer cooler!
Uffda!!

Feel like pizza at 7 AM? You'll find homemade pizza at **Klopp's** in Shell Lake year round. They also have a full bar and off sale. Open 365 days a year and offers a safe ride if you've been having too good a time. KLOPP'S...a place to remember.

The ride to Iron River is about 75 miles. We will stop on the way for lunch.

Scuttlebutt in Rolling Hills Country

ATV and UTV Trails officially opened on MAY 22nd. We (like so many folks) are anxious to get on the trails. Trail boss Randy King and his grading crew have graded the trails so they are in terrific condition. Be careful out there and practice safe driving skills. The trails will be busy especially with a year of Covid almost gone. Be extra careful around the HWY 53 construction in Trego. The Wild River Trail is right in the thick of things. Detours and reroutes may pop up at any time. Watch for signs indicating such. Also, be aware that trails are open unless DNR Fire Danger is rated at Very High or Higher. For Current Fire Danger information, you can call **1-888-WIS-BURN** or visit the [WI DNR Website](#)

Your Rolling Hills Snowmobile and ATV Club needs new members! Join for the fun or join to be part of a great group of people who love ATVing, snowmobiling and the great outdoors of NW Wisconsin! Speaking of memberships, our club membership year ends on June 30. Renewal notices will be going out shortly to members who were with the club prior to March of this year.

L-R: John Zavodnick, club secretary, Jim Dienstl, Trail boss, Sheri Fetkenheuer, Board member, Rick Fetkenheuer, club President, and Still Owners, Amy and Terry Blaschko. Amy presented Rolling Hills Club with a check for \$1,555.00, donated proceeds from a bingo event held at The STILL on Wednesdays during the winter. Two other checks from bingo games were also given our club earlier this year for a grand total of over \$2,000! The Still plans on their 2nd annual Kickball Tourney on the first Saturday in October, again proceeds donated to our club. Your club is blessed to have this strong support from one of our sponsors!
