Winter 2021/22 Trail Routes

- 7A-140W** Trail 140W runs from Wild River Trail intersection 7 at CTY HWY A west to the Burnett County line (map intersection 43). When returning east, go north on 7A from Intersection 45 to Intersection 63 only. Then when returning south on 7A to intersection 45 and continue east on 140W to completion.
- 7A-7-7B** Trail 7A runs from Wild River Trail across Hwy 53 in Trego south of Wild River Sports (map intersection 9). Continuing west it will intersect with the Casey Loop (trail 7) at map intersection 65. This run alternates between doing the Casey Loop twice (once per side), or doing the Casey Loop once in addition to doing trail 7B intersection 69 up to the county line at map intersection 71.
- This run includes the club trail to Dunn Lake and also the club trail to "The Still" at Intersection 67 to the Big McKenzie Rd intersection and then back towards the fire tower and south to Big McKenzie Rd again.
- 35N-39N** Start from 39N intersection 11 at Ross Rd to intersection 27. Then do the spur to Wolf Point Inn, returning to intersection 27. Then proceed to CTY HWY F. Then return to intersection 11 at Ross Rd and proceed to groom 35N north to Lampson (CTY HWY F)
Note that at this time the bridge over Hay Creek is still unsafe for the tractor so turn around there until further notice.
- 35S** Wild River Trail from Ross Rd to Barron County Line intersection 1.
- 4-6** From Wild River Trail at Ross Road to Trail 4 (map intersection 3) east to trail 6 intersection 61. Then trail 6 east to Harmon Loop intersection 47. This run includes the spur to Rummel's Tap from intersection 59 to CTY HWY B.
- 39S-239** From 35N at Ross Road, south on 39S to Barron County line intersection 17. This run includes trail 239 which begins and ends from 39S between intersection 23 to the north and intersection 21 to the south. When heading south on 39S, do the left side or right side of 39S between intersections 23 and 21 according to the schedule.
- Then when returning north, enter 239 from intersection 21, returning to 39S at intersection 23.**
- Then continue north on 39S completing the run.

Additional Operator Notes

It would be beneficial to Washburn County Tourism and the community if each groomer operator would text Tourism as to the condition of the trail that you have groomed. Please take a moment to text Tourism at 715-520-2370 with the condition of the trail that has just been groomed if possible.

Call Jim McDowall at 715-635-5186 with schedule issues.

Call Doug Bruner at 715-416-2530 for severe maintenance issues

If you become stuck and are within 125' of road, call Jock's 715-635-9699.

Otherwise you'll need a bull dozer: Lee Norton 715-416-0501 or Justin Bluse 715-520-7788.

Be sure to notify Jim Dienstl 715-635-8661, Randy King 715-635-7054 or Doug Bruner 715-416-2530 in the event you get stuck.
