THE STILL BAR & GRILL on county road E is an exciting place any day of the week but is really fun when you go to play bingo on Wednesday nights. The numbers roll at 6:30 and continue until 10 winners yell the loud “bingo”. We hear on the street that owner’s Terry and Amy are planning a new game that will rock the joint to the rafters. Hang on for more rumor mill info!

Gwen Welter of **ANCHOR CAMPGROUND** and ANCHOR WOODS CAMPGROUND says reservations with full hook-ups are being made every day for the 2022 camping season. You can rent cabins, pontoon boats or tent camp sites in a very woodsy setting. Right on the ATV trails. Veteran owned. A few steps from The Still too...but double the steps if you’ve been there for a while.

Tired of cleaning, scraping and painting our old windows and doors? Visit the **SPOONER WINDOW AND DOOR** shop in Spooner. Their product selection includes windows, doors, garage doors, custom glass & mirrors, shower enclosures and screen repair. Customer service is their #1 priority!

SCHATZI’S 4 SEASONS RESORT has all the camping amenities you want, plus. We go there for the ribs. Wow! Or choose from a full menu at the bar or your dinner table. Be watching behind you or under the table...chipmunks have been known to crawl up the pants legs of a few patrons.

WHITETAIL RIDGE CAMPGROUND & BACKWOODS BEVERAGE SALOON near Sarona is a fun campground you will enjoy. Enjoy the peaceful and beauty of the Northwoods. Keep the kids quiet in early evening and you may catch a glimpse of a deer or fox. Or, enjoy a cool one as you visit with owner’s Tammy & Jeff Gagner.

THE PIONEER ON LONG LAKE near Sarona is right on trail #28 and Long Lake Rd. Winterized cabins, homemade pizza, full bar, lotsa food and one heck of a place to let your hair down and kick up your heels! Opens at 10am every day.

SAW THIS LIQUOR & DELECTABLES in the heart of downtown Spooner has a very big selection of specialty beverages and unique tastes. Owners John & Gina Mattson are on hand to find a beverage to satisfy your daring tastes...much of their selection can’t be found anywhere else in northwest Wisconsin.

Scuttlebutt in Rolling Hills Country

Lots to pass along (some of it true) so here goes:

The Rolling Hills March general meeting will be held on March 2nd at **THE PRIME** in Trego beginning at 5:30pm. Again as always we need a rsvp to 612 718 1890 by noon Saturday February 26th. You can also RSVP by replying to the email announcing this newsletter. The reception time goes till 6:30 when Julie Predni serves a choice of spaghetti and meatballs or a lenten meatless meal. Please specify which entrée is your (and your guests) choice. The dinner will include rolls and coleslaw.

The April general meeting is scheduled to be held on April 6th at **RUMMEL'S TAP** on County B east of hwy 53. Gathering at 5:30 with dinner at 6:30. The menu will be announced in the next newsletter. Let's hope for some warm spring weather and no snow.

Washburn county recently announced the on again off again warming shed along the casey loop has been approved, now that lumber prices have dropped a bit. We'll let you know completion date as soon as we hear.

Spooner has a coupla of new hangouts. The American Legion is just a bit south of River Street on 70. They open at 3p Wednesday thru Sunday till closing. Check with the people there about your private party. You can use their event center. The Liquid Lounge near the post office on front street recently opened. You'll have to see it since no one answers the phone. We heard the facility is very nicely done. Let us know what you think. Their web site indicates they have food service.

Please, please respect the snowmobile trail network your club maintains. We incorporate private landowner property in order to have a seamless network of trails throughout Washburn county. If one of our 100 plus landowners experiences damage to their property, we may lose that trail! It's not easy to reroute a trail which taxes the time of our all volunteer trail bosses and workers. Lastly, but very important, we desperately need manpower to help our overworked but dedicated team. Please call trail boss, Jim Dienstl, to find a project you would like to help out on. Jim's cell is 715 416 2971. Jim is the hardest worker I've ever known. He is 80+ and can out last most 50 year olds you know. He partners with Randy King as co-trail bosses. He along with several other club members keep our tractors on the trails seven days a week. I'm sure anyone riding our trails has dodged one of our groomers. Call Jim today! He is a terrific, no nonsense guy.
