

The Scoop for January 2023 from...

Yikes!!

In conjunction with the Washburn County Forestry Department, all Washburn County trails will remain closed due to safety. Please know this decision does not come lightly as all of our volunteers are passionate riders that want to be out there riding and/or are business owners that know this sport is what our economy thrives from.

We continue to work to our greatest ability to make the trails passable and safe and to open them as soon as we can, we are unsure of when that will be exactly, we are not sure if this will be before the New Year's weekend.

We hope to update mid next week if not before, as we continue to do clean up. As the temps drop and pending what this next winter storm warning we are in over the next few days brings; more snow and high winds are forecasted, either that wind will help by blowing the snow and weight off the branches or make worse by snapping more off... Mother Nature will tell!

Featured Advertisers for January 2023

Italian food, pizza and subs are the specialty at **GRUZY'S ITALIAN BEEF HOUSE & PUB** located on beautiful Lake Pokegama just a few miles west of Minong. Love the Italian touch in all the great tasting grub you'll find at Gruzy's. They have a full bar with anything that makes you drool. Say hello to owner, Bob Gruzy!

On the trail between Minong and Hayward with a thirst and a growling stomach? Hey, head for **THE OUTBACK**, the only bar on Trail 8 in the area. Homemade pizza, all you can eat fish & wings after 4PM on Fridays. Open Thurs thru Saturday with the friendliest people you'll find.....bar none!

Heard of **PAPPYS BAR** in Trego? Check it out cause you'll find a great bar after an exciting tube or canoe ride on the Namekagon River in Trego, WI. Easy to find on Hwy 77 and a fun place to end a tube or canoe ride on the Namekagon River.

Have Spring fever on your mind already? So do I. I'm dreaming of camping at **FLATWATERS SALOON & CAMPGROUND** just an easy 2 iron east of Trego on 63. Roasting marshmallows and staring at the coals in the fire pit? Yup, that's what fun happens when you let your mind wander. Beer and liquor on sight, and free shuttle to the river. Make plans now!

If you haven't heard of **TONY'S RIVERSIDE** in Spooner, you must have just moved to the area. Well known in these parts for excellent food, Tony's is a perfect gathering spot for the rich and famous of NW Wi. Tony's has all you want in a place to meet friends, have an adult beverage and a great meal. You'll often find owner, Tony, sitting at the end of the bar greeting customers and keeping an eye on tips left for his hard-working staff.

Gotta talk about one more....**JOCK'S AUTO & TRUCK REPAIR**. Jock's son Dan recently replaced Jock as the owner. By far the most honest car repair shop I've known. Rose asks you how she can help you as you enter. Trust me, Rose knows all about cars and trucks. She quickly determines a solution and signals the person who can help you. It doesn't take long till you get the accurate solution to your vehicle's needs. Jock's is just south of the fairgrounds on Spur Rd. 715-635-9699. You'll get a complete description of your repair before the work begins.
